The Director

Attached is the response to Kissinger's twenty-nine questions plus a transmittal note for your signature. Assuming you approve the package, once you have signed the note we will put the package together and get it out.

Because of bulk, I am passing ^{up}~~out~~ for your information only one copy of the finished product. We will of course send Kissinger the two copies your note promises.

George A. Carver, Jr.
Special Assistant for Vietnamese Affairs
